## Message of inspiration from our Principal

**Tran Thanh Tam (Mr.)**  
*Principal*

Month of May marks the culmination of the academic year, filled with exams—including final semester tests and 12th graders' mock graduation exams—alongside field trips and cultural performances preparing for the year-end ceremony. The school thanks parents for their support, commends students for their dedication, and appreciates teachers and staff for their tireless efforts. As we finalize the academic year, we look forward to celebrating achievements at the 2024–2025 Awards Ceremony and wish students success in their exams and parents' health and happiness in witnessing their children's future accomplishments.

## KIK Students Enjoy a Delicious Excursion to The Pizza Company!

Our KIK, K-1, K-2, and Prep classes recently had a fantastic outing at The Pizza Company in Sense City, where students enjoyed making their own pizzas, boosting creativity and teamwork while also participating in fun coloring activities and interactive games that fostered social skills and imaginative play. The day was filled with laughter, learning, and delicious fun, and we extend our heartfelt thanks to The Pizza Company team for their hospitality and to our teachers for organizing such a memorable experience for the children.

**KIK's STEM Day and Children's Day event** was a thrilling blend of science and fun, giving kids the chance to explore exciting experiments in a lively learning atmosphere.

## Primary Students Enhance Balance, Posture & Stretching!

Our Primary students have been building body control through balance, posture, and stretching activities. Year 2 practiced holding balance poses on mats, while Year 3 walked in straight lines with beanbags on their heads—improving coordination, focus, and core strength in a fun, engaging way!

## High School Students Sharpen Their Badminton Skills

In High School PE, students are actively participating in our Badminton Unit, where they're refining their skills through doubles matches.

## OUTDOOR ACTIVITIES FOR PRIMARY AND SECONDARY STUDENTS

In May, primary and secondary school students participated in fun and useful outdoor activities. Primary students visited Can Tho Eco resort, secondary students' explored Song Hau farm. The activities gave students moments to relieve stress, immerse themselves in nature and strengthen their spirit of solidarity.

## 🌸 Celebrating Excellence! 🌸

### Nguyễn Gia Minh – Year 4

🏆 Awarded Third Prize in the Cai Rang District Swimming Competition – Can Tho.

### Nguyễn Hoàng Khánh Vy – Prep

🏆 Won First Prize in the Cai Rang District Swimming Competition – Can Tho.

🎨 Received Third Prize (Category C) in the Art Contest for students aged 6 to 10, organized by the Can Tho City Police Department.

We are incredibly proud of their accomplishments and look forward to seeing them reach even greater heights in their future endeavors. Wishing them continued success, growth, and many more milestones ahead!

Well done, Gia Minh and Khánh Vy! 🎉

**Year 7 student, Tran Khai Minh**, recently represented our school at The World Scholar's Cup – a prestigious global academic competition that brings together students from around the world to celebrate learning.

We are proud to announce that **Khai Minh** achieved two silver medals in the team events and one silver medal in the individual category – Ho Chi Minh City Round.

*\*The World Scholar's Cup (WSC) is an international academic competition designed to celebrate learning and bring students from different cultures together. It's not a traditional quiz competition—instead, it emphasizes collaboration, critical thinking, and interdisciplinary knowledge in a fun and engaging way.*
