Singapore International Students WELCOME BACK TO SCHOOL!

Message from the Principal

Dear Parents and Guardians,

I would like to thank everyone for the warm welcome I have received at SIS Can Tho.

Our students, teachers and staff are truly outstanding and everyone has shown great kindness to me, making me feel right at home! My wife, son and I are delighted to have moved to Can Tho to join the SIS@Can Tho family.

As Principal, I look forward to guiding your children's personal and educational growth, helping them prepare to become the leaders of tomorrow. I wish to thank our students' parents and guardians for your patience, understanding and trust as we continue to work together to ensure that SIS@Can Tho students will achieve their highest goals and find their greatest success in life.

I am honored to be our school leader and I thank you for your support.

Yours Sincerely,
Mr. Ben

Virtues Programme

In August, our students learned about the virtues of Caring and Integrity.

Caring is giving love and attention to people and things that matter to you. When you care about people, you help them. You do a careful job, giving your very best effort. You treat people and things gently and respectfully. Caring makes the world a safer place.

Integrity is living by your highest values. It is being honest and sincere. Integrity helps you to listen to your conscience, to do the right thing, and to tell the truth. You act with integrity when your words and actions match. Integrity gives you self-respect and a peaceful heart.

School-Wide Learner Goals

August's School-Wide Learning Goal was to nurture Technologically Literate Students who effectively use technology to access, organize, evaluate, create and communicate information. Technological literacy could be illustrated by students in countless ways, for example: using the Internet to research for school projects, creating PowerPoint presentations, learning how to use computers, and many more.

Our SWLG Awards go to our hardest working and highest achieving students. This month's winners are as follows:

Eastern Values

Western Education

Global Citizens

School Policies

We have had a great start to the year and look forward to the continued support from our SIS@Can Tho families.

Kindly note that student drop-off is 8:00-8:30am and student pick-up is 3:30-4:00pm for KIK and 4:00-4:30pm for all other students. During these times, there are a large number of cars and motorcycles entering our campus. This can create significant traffic problems which are unsafe for our students and inconvenient for parents.

In order to make our student drop-off/pick-up safer and more efficient, we kindly ask parents to try to avoid parking on campus during these times and to pick up children promptly after school.

We are grateful for your understanding and thank you for your support of our school policies.
