Message from the Principal

Dear Parents and Guardians,

This month's studies were capped by a creepy and magical Halloween celebration.

Halloween is a holiday that lets our students (and teachers) dress up in creative ways, celebrating a day where fantasy becomes reality and our fears become our strengths. Children of all ages love Halloween because they can play pretend while enjoying games and treats with their friends.

The halls and classrooms of SIS@Can Tho were decorated with spiders, skeletons, and all sorts of monsters. Witches stewed pots of magic potions, bats flew through graveyards, and anything seemed possible.

I wish to thank all our teachers and parents for their hard work in preparing for this event and for making it such a success. School decorations and student costumes were *hauntingly* great!

Yours Warmly,
Mr. Ben

Halloween Skeletons

Don't have many emotions or feelings. They also don't care about this month's Virtues. *Who will save us?*

Virtues Programme

In October, our students learned about the virtues of Teamwork and Creativity.

Teamwork is everyone working together to achieve a common goal. When we work together as a team we can get a lot more work done in a short amount of time. We can also draw on the specialised knowledge of individuals.

Creativity is the power of imagination. It is discovering your own special talents. Dare to see things in new ways and find different ways to solve problems. With your creativity, you can bring something new into the world.

School-Wide Learner Goals

October's School-Wide Learning Goal was to nurture Active and Responsible Citizens who understand and respect other cultures. These students also demonstrate good citizenship and social responsibility through serving others. Active and Responsible Citizens understand and demonstrate good virtues and understand the importance of an active and healthy lifestyle.

Want to be an Active and Responsible Citizen?

1. Look for opportunities to help others.
2. Seek to understand others. (No one has the same life experiences as you. Aim to understand.)
3. Treat people and places respectfully. (Pick up litter, be kind.)
4. Exercise and eat healthy foods.

Our SWLG Awards go to our hardest working and highest achieving students. This month's winners are as follows:

Mr. Peter (Parker) Understands that having great power comes with great responsibility. Spider-Man works hard to fight evil and to protect our students every day. Learning our virtues is the first step to becoming a hero!
