Halloween Event – Nursery students show off their adorable costumes

Message from the Principal

Dear Parents and Guardians,

We concluded this month's studies with a spooky and enchanting Halloween celebration.

Halloween offers a fun opportunity for our students and staff to unleash their creativity by transforming themselves into fantastical characters. It's a day where imagination is celebrated through costumes, games, and treats.

During our celebration, the hallways and classrooms of SIS @ Can Tho were decorated with an eerie assortment of spiders, bats, and skeletons. On this special day, witches and pirates could be found roaming our halls as monsters and princesses ate lunch together, all while zombies and ghosts played football with super heroes outside. This was truly a special day!

We extend our heartfelt gratitude to our dedicated teachers and supportive parents for their hard work in preparing for this event, making it an amazing success. The school decorations and the creativity displayed in our students' costumes were so wonderful that I am already looking forward to seeing what happens next Halloween!

Warm regards,

Mr. Ben

Virtues Programme

In October, our students learned about the virtues of Generosity and Teamwork.

Generosity mean giving and sharing. You share freely, not with the idea of receiving something in return. You find ways to give others happiness, and give just for the joy of giving. Generosity is one of the best ways to show love and friendship.

Teamwork means everyone working together to achieve a common goal. When we work together as a team we can get a lot more work done in a short amount of time. We can also draw on the specialised knowledge of individuals.

School-Wide Learner Goals

October's School-Wide Learning Goal was to nurture Active and Responsible Citizens who understand and respect other cultures. These students also demonstrate good citizenship and social responsibility through serving others. Active and Responsible Citizens understand and demonstrate good virtues and understand the importance of an active and healthy lifestyle.

Want to be an Active and Responsible Citizen?

1. Look for opportunities to help others.
2. Seek to understand others. (No one has the same life experiences as you. Aim to understand.)
3. Treat people and places respectfully. (Pick up litter, be kind.)
4. Exercise and eat healthy foods.
